

Budget Billing

Budget Billing means you pay the same amount on your bill each month for a 12 month period.

How To Qualify

- You must be a member of Chariton Valley Electric Cooperative for 12 months before becoming eligible for the budget option. The budget amount is based on the previous 12 month history.
- Your account must be paid current to begin the Budget Billing option.

How the Budget Billing Works

- Your budget payment amount is determined by your average usage of the previous twelve months.
- After twelve months on the plan, your account must be paid current and a new budget amount will be calculated using your previous 12 month usage.
