

Electronic Check Payment

Chariton Valley Electric Cooperative accepts online electronic check payment of your electric bill. [Click here](#) to make your payment.

Paying by E-Check allows you to:

- Reduce your cost of checks and stamps.
- Reduce time spent writing checks.
- Eliminate the potential of lost or misdirected payments.

A small convenience fee will be assessed for each \$600.00 payment applied on your account.

When completing a transaction be sure to verify that all of your banking information is correct. If a transaction is rejected by your financial institution additional charges will be applied.
