

## **RECare**

RECare is a voluntary energy assistance program that offers funds to local families who need assistance with their heating bills. Your contribution can help one of these local families!

You may make a one-time contribution, or you may make a monthly pledge. If you choose to make a monthly pledge, we can set it up as part of your energy bill. Even a dollar a month pledge or contribution of any amount will help others!

### **Who Receives Assistance?**
